

Jackson Middle School Improvement Plan 2020-2021

Jackson Middle School

Vision

Our students will develop a respect for themselves and others while preparing for the careers of the future.

Mission

The mission of Jackson Middle School is to serve as a positive environment for academic and personal development.

Beliefs

- Each student should have the right to learn in an atmosphere conducive to learning.
- Students, teachers, and administrators should treat each other with respect.
- Collaboration is essential among parents, teachers, and students in the development of character.

Improving Technology

Objectives

- To provide one digital device per student.

Critical Initiatives

- To secure funds through grant writing and fund raising to purchase online resources and programs to supplement the curriculum for digital learning.
- To purchase software and Web 2.0 tools for digital devices.
- To provide professional development on use of digital devices along with teacher and student training.
