Dear Parents:

Summer school is being held in all Clarke County middle and high schools this summer to allow students the opportunity to recover any learning lost during COVID-19. All Wilson Hall Middle School students are welcome to attend summer school to strengthen their reading and math skills and/or possibly prevent retention. **Those students who have failed the current grade will have the opportunity to be promoted, if they attend summer school and meet the following summer school criteria.**

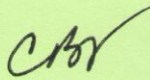

Wilson Hall Middle School students in danger of retention may be promoted if they successfully complete the following summer school criteria:

- Students will be required to attend summer school Monday-Thursday from June 2 through July 1 from 8:00-12:00. (Students may only miss **one** day with a doctor's excuse.)
- Students should successfully complete all coursework.
- Any student who does not conform to the established Student Code of Conduct during summer school will no longer be allowed to attend.
- Students will be required to exhibit mastery of the skills taught upon the completion of summer school.

If you are interested in your student attending summer school, please complete this form and return it to your child's homeroom teacher by **Monday, April 19th**. More specific information will be available soon.

Thank you,

Dr. Carolyn Taite

Principal

Wilson Hall Middle School

I am interested in my student attending summer school and I understand that promotion to the next grade level is dependent on my student meeting all established criteria.
